

3rd FIG Young Surveyors European Meeting
16 May 2015 Sofia, Bulgaria

*'European Young Surveyors
together for tomorrow's
challenges'*

Invitation

Dear friends and colleagues,

Once again the ***FIG Young Surveyors European Network*** is going further and this time the place to be is **Sofia**, Bulgaria.

After the great success of the FIG YS events, such as the 1st FIG YSEM held in Lisbon two years ago and the 2nd FIG YSEM in Berlin 2014, we witnessed a compelling turnout of Young Surveyors from various countries and an outstanding team work. European Young Surveyors are eager to take the Network's initiative further. Thus organize the

3rd FIG Young Surveyors European Meeting in Sofia on 16th May 2015

It is a one day event featuring a wide range of dynamic activities, put together by the organizing committee. The meeting will cover different aspects of our vision, challenges and developments in our future, throughout workshops, group discussions and presentations. This event is of major importance in promoting our network, advancing our joint efforts and establishing a solid fundament for future development.

Furthermore, this is a great opportunity to participate in the following
