Dear Prof. Magel,

We hereby propose the nomination of Prof. Dr. Dalal S. Alnaggar for the position of FIG Vice President.

Dr. D. Alnaggar, a professional surveying engineer, has for many years and through various positions actively participated and intervened in engineering projects and surveying applied research in Egypt.

During her working years, she was elected for different positions as geodetic engineer. After she got her Ph.D in 1986, Dr. D. Alnaggar was responsible for executing vital Survey Projects in Egypt. She served for more than 6 years as the Director of Survey Research Institute and led the surveying research programs in Egypt; e.g. establishment of Egyptian Standardization Gravity Networks, the Topographic Maps for Western desert, Geographic Information Systems and Remote Sensing Projects etc.

Dr. D. Alnaggar is a very active delegate to FIG since 1990. She is currently an active member of different scientific national and international respected committees. Since 2001, she has a prominent role in the considerable improvement of the national and regional training strategy which covered many fields in water studies.

We strongly believe that Prof. Dr. Dalal S. Alnaggar with her broad professional, high qualify experienced journey the FIG will be benefiting a lot from her capabilities. We are pleased to put forward her name for consideration.

Best regards,

Sincerely Yours,

Dr. Mahmoud Abu-Zeid
